COMPANY OVERVIEW

DCB Auto Spares is an importer of a huge range of auto-electrical spares, devices and components. We supply both wholesale and retail customers from branches in Gauteng and the Western Cape, and we are the only official importer of GB products into South Africa.

Whether you are an automotive business replenishing your stock or an individual who needs one specific part, we aim to supply you at competitive rates with high-quality products.

Our service approach is built on:

Quality Products: Reliable auto-electrical components matter for vehicle performance and safety, so every item in our catalogue is sourced to meet high standards of quality.

Competitive Pricing: We draw on our network and industry expertise to offer quality products at rates that are hard to beat, for wholesale and retail buyers alike.

Expert Advice & Support: Our dedicated team is on hand to help you find exactly what you need and to support you through your purchase.
